2023 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Chesterfield Township FD No. 1

FISCAL YEAR: January 1, 2023 to December 31, 2023

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. When is the Fire District's annual election? (February and/or November)
If November, was the resolution submitted to the Division?

November
Yes

2. Complete a brief statement on the 2023 proposed Annual Budget and make comparison to the 2022 adopted budget.

The overall 2023 proposed budget increased by \$226k (17%) over the 2022 Budget, this increase is attributed to the addition of 3 new firefighters, contractual salary increases and health benefit cost increase. Due to the lack of volunteers the District needs to hire new positions as well as pay for additional hours needed from current employees.

3. **Explain any variances over +/-10% for each line item.** Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

A. Decrease in Fund balance utilized of 100% or 154,000. This is due to the District using too much in fund balance over the last several years and depleting reserves. The District needs to reset it's budget in order to have a sustainable budget going forward and be able to operate within the 2% CAP. B. Revenues from interest earnings decreased by \$550 or 31% to anticipate earnings based on lower cash balances. C. Operating Grant revenue increased by 100% due to COVID Relief grant and American Rescue Plan grant being received. D. Tax levy revenue increased by \$310k or 27% due to needs with new positions and contractual and overtime needs. Due to lack of volunteers, the District needs to hire new permanent positions. E. Salaries and wages increased by \$229,546 or 48%. This is due to 3 new employees needed as well as contractual and overtime needs due to lack of volunteers. F. Principal and interest decreased 100% due to the District vehicle being sold in part of 2019 fire district consolidation plan and the loan being paid off by buyer directly to the bank loan was through. G. Fuel Increased by \$1,500 or 25% in response to raising fuel costs.

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The budget calls for the use of \$0 in fund balance. The District has relied on fund balance in an unsustainable way over the last several years and has depleted its reserve. This is now compounded by the decrease in volunteers and need to increase the budget for salaries and benefits to compensate for this.

2023 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Chesterfield Township FD No. 1

FISCAL YEAR: January 1, 2023 to December 31, 2023

Answer all questions below using the space provided. Do not attach answers as a separate document.

5. Does the Fire District plan on exceeding the Levy Cap? If so, please provide a statement with the reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

Yes. The District has experienced a lack of volunteers over the last several years and has a need for 3 new firefighters as well as increases in fringe benefits associated with the new hires as well as current employees. The referendum is needed to account for the new positions, increased overtime needs and increase healthcare costs. The referendum is also needed to decrease the District's reliance on use of fund balance to pass its budget. The current use of fund balance for its budget is not sustainable and the District will deplete its fund balance without a correction.

6. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance to be used in the 2023 proposed operating budget, explain the reason and purposes of the appropriation.

No.

7. Complete a brief statement on the Annual Budget's proposed capital appropriations including debt service for the proposed budget year and for future years.

The district is allocating 20k to be restricted for future capital needs. There is no projected debt service needs at this time.

8. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14- 78.6, then explain the reasons for the occurrence of the deficit.
